

## NEIL TURNER READER'S CLUB

Happy April!

I hope this finds everyone well, and that you're enjoying the warmer weather and sunshine. But enough weather chatter; we're here to talk about books and there's plenty of book news this month. In fact, this may be the lengthiest Reader's Club Update ever.

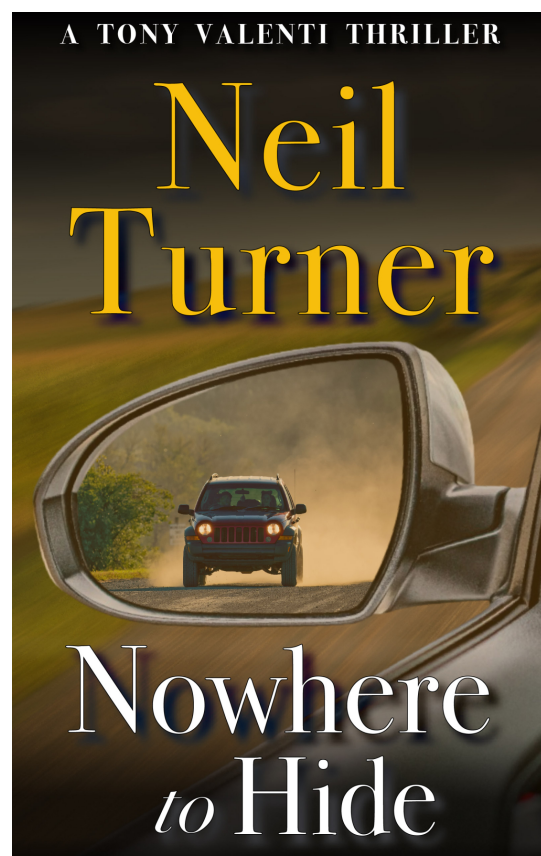

This month's issue is coming to you a few days early. That's because I didn't want you to miss out on a time-sensitive deal. See the Kindle Countdown feature below to learn more.

Now, let's get right to it. Read on!

**Finally, a new Tony Valenti Thriller!**

**Hot off the press**

After several fits and starts, and continuing delays with the final cover art (which still isn't finalized!), presales of the seventh Tony Valenti Thriller, *Nowhere to Hide*, are open in the Amazon Kindle store. The novel will launch at a special price of \$2.99 in Canada and the United States, with equivalent discounts elsewhere. This pricing will only last for a limited time. Presale orders *will* receive the discount, so there's no reason to delay. Here's the book description:

[In the seventh novel of the acclaimed Tony Valenti Thriller series, Tony battles to save his girlfriend's recently orphaned nephew from](#)

the jaws of injustice. Will fifteen-year-old Kevin Tyler be ripped away from the only home he's ever known? The ensuing legal battle sets the courts of Texas and the Canadian province of Alberta on a collision course.

Tony and his partners are up against the Texas Tylers, who have money, connections, and what appears to be an idyllic home in a gated community. But all is not as it seems. The increasingly vicious fight over Kevin's future escalates, threatening to explode into an international incident.

When a desperate Kevin takes matters into his own hands, he unwittingly sets off a life-and-death struggle no one saw coming. With danger threatening from all sides, Tony scrambles desperately to rescue Kevin before it's too late.

## **Dusty Springfield**

### **Let's Celebrate a Birthday**

You may notice occasional references to music in the Tony Valenti novels. A singer who has come up recently is Dusty Springfield, one of the giants in the annals of female pop singers, and an integral part of the

British Invasion back in the 1960s. While Dusty is far from unknown, I don't think she gets the accolades she deserves. If you're not familiar with Dusty, give her a listen. Sadly, Dusty passed away much too young, but her music lives on. In *The Secrets She Buried*, Brittany's friend, Poppy, mentions that her mother pauses to commemorate Dusty's birthday every year. What a cool idea. Let's remember Dusty on her birthday, April 16th.

## World Book Day 2023

### Celebrate Books & Reading

Speaking of reading, let's all take a moment on Sunday, April 23rd to celebrate World Book Day 2023, aka International Day of the Book. This is organized by

UNESCO to promote reading, publishing, and copyright. What's not to like about that? Celebrate this, share it with everyone you know—especially young people! Make a note to introduce a book (or reading itself) to someone you love. Reading matters! So, very sincerely from me to you: Happy World Book Day!

### Binge a Mystery/Suspense/Thriller Series

### Attention Binge Readers!

I'm always up for—or down with, depending on your generation—diving into a new series. Here's a chance to discover several dozen at the same time. I've dipped my toe into this exciting pool and come up smiling ... albeit with the odd shiver or two. Check out these first-in-series novels, including the

first Tony Valenti Thriller, *A House on Liberty Street*. Simply [click here](#) or on the image to start browsing.

## Monthly Q & A

Q: Who should play Tony in a movie or television adaptation?

A: Here's a fun question! This has crossed my mind from time to time when it's come up in conversation, but this is the first time it's made it to the monthly Q & A. I can't say anyone ever

struck me as right for the part—until I watched the film version of Michael Connelly's *The Lincoln Lawyer*, in which Matthew McConaughey starred as Mickey Haller. Great book; great movie; perfect Tony Valenti!

Please send your questions via the *Contact* page on my [website](#) or send an email to [info@neilturnerbooks.com](mailto:info@neilturnerbooks.com). If you send an email, please type *Reader's Club Q & A* in the subject line. Thank you!

That's it for this month. Thanks for being a member of our Reader's Club!

Take care, be well, and happy reading,

Neil
